

**As light as air!  
Inflate as many air pillows  
as you need with the hand  
pump supplied.**

*Ensure your goods arrive safely  
and cheaply without having to  
store bags of polystyrene chips,  
crushed paper or bubble wrap!*

# Airfil™ HandyPak

***This is  
what  
you do...***

Place nozzle onto pump.

Detach pillow from roll.

Locate hole in bag.

Pump air into pillow until...

...you achieve the size needed.

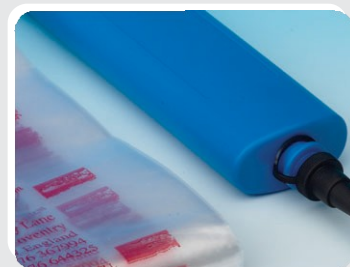

Peel off a clear sticker.

Place sticker over hole and press firmly to stop leaks.

Position pillows as needed to make your good secure.

Replacements can be ordered on our website or by phone.

**You can  
re-order by  
visiting our  
website or  
by phone:  
0247 636 7994**
